Dear Sir,

Further to my letter of 17th April, my Australian patent attorney has not yet organized an American patent attorney, so I am sending you these papers myself because of the lack of time. I have paid the \$55 application fee to the San Francisco branch of the Reserve Bank, account no. ABA 0210030004.

I hope everything is now in order and that my patent attorney will soon supply you with the information you required.

Yours faithfully,

J. P. Gahan

1. Australia and New Zealand Banking Group Limited ('ANZ') may use the services of another bank ('the Correspondent Bank') or agency ('the Correspondent Agency') to give effect to the instructions of the Applicant.
2. Commission may be payable to ANZ by the Correspondent Bank or the Correspondent Agency used by ANZ to effect funds transfers at your request. The amount of this commission depends on various factors, including the volume of transactions given by ANZ to the Correspondent Bank or the Correspondent Agency.
3. Funds transferred overseas by ANZ through Telegraphic Transfer should arrive at the overseas destination and be available for payment to the beneficiary within 48 hours of ANZ accepting the Applicant's instructions ('the Expected Time'). The transfer of funds may be delayed past the Expected Time due to circumstances beyond ANZ's control (which include but are not limited to) cut off times for transmissions imposed by international Convention; delays or complications in post or otherwise; delays, errors or omissions in transit or transmission; acts or omissions of Correspondent Bank, a Correspondent Agency or any other third party; or delays and complications in overseas banking systems. To the maximum extent permitted by law, ANZ and its employees and agents accept no responsibility and will not be liable for any loss or damage resulting from delays that arise as a result of the circumstances specified above or any act or thing done or omitted to be done by ANZ while acting in good faith on the Applicant's instructions.
4. Where the funds are not available for payment to the beneficiary by the Expected Time, the Applicant may request the ANZ generate, on behalf of the Applicant, an enquiry into the delay ('Enquiry'). Where the delay is not caused by ANZ, the Applicant will indemnify ANZ for all or any costs or expenses incurred by ANZ as a result of generating, carrying out and completing the Enquiry.
5. A Correspondent Bank or Correspondent Agency may charge unspecified fees or charges and either:
 - a) deduct those fees and charges from the funds transferred to the beneficiary by the Applicant, so that the beneficiary may receive less than the amount sent by the Applicant; OR
 - b) pay the funds transferred by the Applicant to the beneficiary but debit ANZ's account held at the Correspondent Bank or Correspondent Agency, with those fees or charges.
 The Applicant will reimburse ANZ for those fee or charges debited to ANZ's account by the Correspondent Bank or Correspondent Agency and 5(b) ANZ does not guarantee to have the proceeds of this transfer paid with same day value in the country of the beneficiary.
